

NEIGHBORHOOD PHOTO SCAVENGER HUNT

RULES:

1. You must stay with your group for the entirety of the hunt. You may not split up.
2. You must take a picture of your entire group in the photo with the object. If the entire group is not in the photo it will not count.
3. You must follow all traffic rules and laws. Think safety first.
4. The group to take the most photos with objects listed below in the allotted time wins. (If two groups both find the same amount of objects then the group that got back to base first wins.)
5. You must be back to _____ at _____. If you are not back by then you will automatically be disqualified.
6. Each box below is worth one point unless otherwise stated. Additional points may be given for creative photos.
